

Hello visitors!

For those who are interested in sightseeing the beautiful and historic country of Israel before, during or after the conference, you may contact Tami Tal. Tami is a licensed tour guide in both Hebrew and English, and will be happy to give you advice on planning your trip. You may drop her a line for questions and recommendations. She can also connect you to other tour guides who specialize in various topics of interest around the country (e.g. religion, archeology and so forth) or if you wish to have a guided tour in your mother tongue (French, Spanish, etc.). She is also available for giving private tours in Jerusalem and beyond.
